50 years of Share Lent!

Women are breaking the chains of sexual violence in the Democratic Republic of the Congo

This week, we meet with Cécile Kazadi, a woman from the Democratic Republic of the Congo, who explains why community radio is an essential tool for women denouncing sexual violence. "Thanks to RCK radio, our lives have changed a lot. We are now aware of our rights."

This year, why not share year-round by joining Development and Peace – Caritas Canada's monthly donor program? More information can be found online at www.devp.org/shareyearround.

Development and Peace has been working with the Congolese Catholic Church to encourage citizen participation and ensure a fair electoral process since the first democratic elections in the DRC in 2006. The Share Lent collection will take place on April 2nd, which is Solidarity Sunday. If you would like to lend a hand or find out more, please contact Jana Lalach at 306-542-7665 or jmlalach@sasktel.net.

A PARISH MISSION PRAYER

God, Our Father, we offer You praise and thanksgiving for all the many gifts You have given us through Jesus, Your Son. We thank You especially for the gift of our Parish Mission.

Loving and gracious God, quiet our minds and hearts, that we may be open to the gift of Your truth. Grant that our Mission may be: a time of preparation, a time of grace for all, a time of growth for the young, a time of renewal for the old, a time of union for families, a time of healing for the broken, a time of joy for the sorrowing, a time of challenge for the complacent, a time of forgiveness for the sinner, a time of strength for the holy, a time of homecoming for those who have been away.

Grant, most loving God, that our Mission may bring down Your richest blessings on each member of our parish community. We pray through the intercession of Mary, our Mother, in the name of Jesus Christ who lives with You and the Holy Spirit forever.

Letter to Prime Minister Justin Trudeau from CCCB President Bishop Douglas Crosby

Prime Minister,

On 8 March 2017 the Government of Canada announced \$650 million over three years for "sexual and reproductive health and rights". According to a backgrounder provided to the media, a major part of the funding will be toward removing "judicial and legal barriers to the fulfilment of sexual and reproductive health and rights". As cited by the Globe and Mail on 9 March 2017, a federal official has confirmed "these barriers include the anti-abortion laws in many countries."

Such a policy is a reprehensible example of Western cultural imperialism and an attempt to impose misplaced but so-called Canadian "values" on other nations and people. It exploits women when they are most in need of care and support, and tragically subverts true prenatal health care. It negates our country's laudable efforts to welcome refugees and offer protection to the world's homeless, when the youngest of human lives will instead be exterminated and the most vulnerable of human beings discarded as unwanted human tissue.

Your policy and vision, contrary to the fundamental ethic of protecting the most vulnerable and assisting the weakest, are in conflict with the principles instinctively shared by the majority of the world's population and consistently upheld by the Catholic Church: to defend and protect human life from conception to natural death.

On behalf of all the bishops of Canada I thank you for your consideration and I remain

(Most Rev.) Douglas Crosby, OMI - President of the Canadian Conference of Catholic Bishops
10 March 2017
