Let's defend the defenders of our common home!

« The native Amazonian peoples have probably never been so threatened on their own lands as they are now. »- *Pope Francis, Peru, January 2018.*

This is true for Indigenous peoples, but also for traditional communities of the Amazon. Here are two communities in Brazil under threat:

- The way of life of Machadinho d'Oeste's *seringueiros* (artisanal rubber tappers) is being destroyed by industrial logging.

- The Mura Indigenous people of Manaus were not consulted before a phosphate mining company began operations on their lands.

Solidarity Letter

Canadians are invited to sign or write a letter of solidarity to two communities in the Brazilian Amazon whose land, water and way of life are being threatened by mining and logging companies. We will use the signatures gathered to advocate for the recognition and protection of these peoples' rights. **Sign the Development and Peace - Caritas Canada Solidarity Letter today to support these two communities.** Your signatures will allow us to call for their protection and respect of their rights. **There is a sheet on the counter at the back of the church.** Together, let's defend the defenders of the Amazon. To sign the Solidarity Letter online: devp.org/act.

The Giving Tree Philippian Fast Campaign: November 15-December 22

This year's theme is intended to bring mindfulness to areas of *Anti-Poverty* and in support of *Human Dignity*. **The Lighthouse** and **Sanctum 1.5** will be the recipients of your generosity in prayer and gift-giving.

Sanctum 1.5 {134 Avenue O South, Saskatoon} is a 10-bed prenatal care home which supports high-risk and HIV positive pregnant women at risk of having their infants apprehended at birth.

Sanctum's vision is to provide a community for individuals requiring supportive care to attain their optimum level of health, while maximizing their control and dignity. Incorporating existing community services in Sanctum's safe and supportive environment, the prenatal home will work preventively to meet the health and social needs of these women more effectively and efficiently which will improve the health and wellbeing of mom and baby while also mitigating the risks associated with apprehensions of infants at birth.

The Lighthouse Supported Living {304 2nd Avenue South, Saskatoon} exists to provide emergency shelter, supported living, and affordable housing to those in need in Saskatoon.

The Lighthouse's Vision Statement is: *Building people up holistically with dignity, respect and love. And its Mission is:* *To be a dynamic and innovative housing and service provider in the communities we serve that assists individuals in reaching higher levels of personal growth, independence and resilience by providing supports and meeting needs through a client-centred approach.*

Parish Council's *Justice & Peace Committee* is asking for your help this holy season by choosing a tag and placing your monetary donation or unwrapped item (with the tag attached) under our Giving Tree. This will be a six-week campaign. Deliveries will be made the weekend of December 21.

For more information, contact Jana at jmlalach@sasktel.net or 306-542-7665.

Thank you for your generosity! God is With Us!
